Recycling and Waste Container Placement and Collection

Follow these simple steps to ensure your recycling and waste is collected quickly and easily:

- Your first service day for waste and recycling will be January 6, 2020. Your normal pickup day will be Monday and your recycling will be serviced every other week.
- All recycling and waste must be placed at the curb.
- On your scheduled day of service, place your recycling and waste at the curb no later than 6 a.m. Late set out will be noted and may not be picked up.
- Waste should be in properly secured containers (60 lbs. or less) or plastic bags (35 lbs. or less).
- Hedge cuttings, limbs and branches should be securely tied and should not exceed 36" in length, weighing no more than 40 lbs. Branches should not exceed 4" in diameter.
- Christmas trees will be collected in December, January and February.
- Bulk items will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48".
- Empty paint cans and/or dried paint is acceptable. Paint can be dried by air drying or soaking up with kitty litter.
- Items such as refrigerators, freezers, air conditioners, dehumidifiers, water coolers, or any other appliance containing refrigerant will only be picked up if the item has a sticker certifying the refrigerant has been removed. If there is no sticker certifying removal, we will not pick up the item due to laws prohibiting disposal without certification the refrigerant has been removed. It is suggested that you have the company delivering the new appliance dispose of the old appliance to save on the removal cost of the refrigerant.
- Remove recycling and waste containers from the curb within 24 hours of being collected.

Holidays

The six major holidays will result in a one day delay of services.

- New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving, Christmas Day

Crescent Township Recycling and Waste 2020 Service Guide

We'll handle it from here.®

Crescent Township Household Hazardous Waste

Your hazardous waste and e-waste can now be safely collected from each home by calling 800.464.2120.

Look through your home for hazardous items that need discarding — everything from batteries and paint to computers and chemicals — and feel secure knowing Republic Services® will handle these special items; protecting both you and the environment!

Residents who call will be asked to describe the items they want collected. They will be asked

to use a special kit to collect the items, which will be delivered to them. Each kit includes a 42-gallon clear plastic bag and detailed instructions on how to safely package the items, along with a collection date. These items **MUST** be kept in a secure location; **NOT** at the curb, until collection. The only exception is a single item weighing 50 lbs. or more, such as a large TV, which must be placed at the curb. On the collection day, Republic Services personnel will collect the specially packaged items and recycle them.

E-waste Collection

- TVs
- Computers
- Monitors
- VCR and DVD players

- Printers
- Fax machines
- Cable boxes
- Gaming equipment and similar electronic waste

Here is a list of items that Republic Services will collect (5 gallons or less):

- Paint (latex & oil-based)
- Paint thinners
- Gasoline
- Solvents
- Oil
- Petroleum-based lubricants
- Ethylene
- Glycol
- Antifreeze
- Pesticides/herbicides
- Aerosols
- Mercury/mercury debris
- Light bulbs (fluorescents, compact fluorescents (CFL)
- High-Intensity discharge (HID) lamps
- Batteries (lead acid, alkaline, NiCad)
- Pool chemicals/cleaners (acidic & basic)
- Resins and epoxy

Call Republic Services at 800.464.2120 to arrange for E-waste and HHW collection.
