Shouse Park

Shouse Park is located along the Ohio River, nestled in Crescent Township. Offering play areas, a ball field, and three pavilions, Huwar, Davis and Walters, this park is truly one of Allegheny County's best kept secrets.

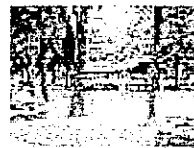

Park Rental Information

Davis Pavilion - The Davis Pavilion is the first pavilion on the right as one enters Shouse Park. Davis offers a quaint play area close to the shelter and is just to the right of McCutcheon Field. This shelter has electricity, water and grills available.

Huwar Pavilion - Huwar is the most rented pavilion in the park. Huwar offers a kitchen area complete with stove, sink and refrigerator. This pavilion is located in the center of the park and is beside McCutcheon Field. Restrooms are located on the opposite end of the pavilion. Reserve this site early, dates go quick!

Walter's Pavilion - Walter's is quickly becoming a favorite among park renters. This pavilion is on the southern end of the park and is secluded by trees. The large children's play area is very convenient for children and parent's alike. The John Moore Outlook Pointe is just a walk across the parking lot from this site as well. Like the other grove's, this site has electricity, pump water, and grills. The quietness and seclusion are the main attraction to this site.
