### ALCOHOL PERMIT RULES & REGULATIONS

- A. It shall be illegal for any person to possess or use or consume any illegal substances, such as drugs, alcoholic beverages, or any other substances controlled by state or federal law, on any Township owned property.
- B. Alcoholic beverages, limited to beer and wine, shall be permissible by a permit holder holding a valid permit from the Township for the use of the pavilions at Shouse Park provided there is strict compliance with the following rules and regulations:
  1. The lessee has submitted and obtained a permit for the use of the pavilion.
  2. The lessee has submitted the supplemental alcohol permit application with all attachments to the Township Manager, paid the applicable alcohol permit fee, and secured the permit prior to the use of the pavilion.
  3. The supplemental alcohol permit application shall only be issued in conjunction with a properly issued permit for the same pavilion.
  4. Neither beer nor wine shall be sold, bartered or traded.
  5. There shall be no fee charged to enter the pavilion or to attend any event operated in conjunction with the lease of the pavilion. The intent of this provision is to prohibit events such as keg parties or beer and wine parties where the purpose and intent is to solicit/invite attendees to pay an attendance fee or per-drink fee. This provision is not intended to prohibit friends or families from sharing in the actual cost of food and refreshments for the event to be held at the pavilion.
  6. The use, possession, distribution and consumption of beer and wine shall be solely limited to the interior of the pavilion. No alcohol of any type or variety shall in any way be consumed, displayed or used on the exterior of the pavilion, park or field.
  7. In regard to the lease of the pavilions, use of glass containers of any type for all beverages, including those for beer and wine, is expressly prohibited. This prohibition shall not prohibit wine and beer from being served from the manufacturer's original glass bottles, but it shall prohibit wine and beer from being served in glassware.

8. The use, possession and consumption of beer and wine shall at all times be limited to those individuals permitted to do so under the applicable rules and regulations of the Pennsylvania Liquor Control Board.
9. The alcohol permit issued by the Township shall at all times be visibly displayed during the lease period on the pavilion for which the permit was issued.
10. The person or persons who have signed the alcohol permit application and pavilion permit application shall be required to remain on site of the leased premises at all times while beer or wine is present.
11. The pavilion permit and its supplemental alcohol permit shall expire upon park closure.

**C. Alcohol permit fee.**

The fee for the alcohol permit is hereby set at the amount of \$100, unless and until otherwise changed by resolution of the Board of Commissioners.

**D. Insurance**

A certificate of Insurance must be supplied by the lessee naming the Township of Crescent as an additional insured must be submitted at the time of application.

**E. Security deposit.**

In addition to any security deposit the Township may require for the general use of its parks, pavilions and other buildings, a separate refundable security deposit shall be required for any permit to serve beer and wine. The security deposit for the alcohol permit is hereby set at the amount of \$200, unless and until otherwise changed by resolution of the Board of Commissioners. The terms and conditions for the release of all or any portion of the security deposit shall be as set forth in the alcohol permit application.

*The \$200.00 deposit will be returned only after **all above rules** were followed and **NO DAMAGE** was reported. Any damage that was done must be paid for by the renter, including a \$35.00/hr per township employee needed to complete the repairs, clean up or key pick up during off Municipal business hours.*

I, \_\_\_\_\_ on \_\_\_\_/\_\_\_\_/\_\_\_\_ have read and agreed to the rules set forth by Crescent Township for the use of alcohol at Shouse Park.
